

WEEKLY CHALLENGE

SPINNING CUPS

These spinning Ninjas are super easy to make. Of course, you don't have to make Ninjas. How about a Unicorn, Fox or Minion?

What do you need:

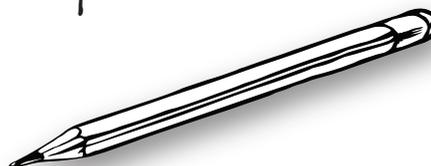

- Paper cup
- Hexbug or small motor
- Blue tack
- Decorations

Instructions

1. Decorate a paper cup in whatever theme you choose.
2. Use blue tack to attach a Hexbug or small motor to the top of the cup on the inside.
3. Turn on the Hexbug and watch the cup spin!
5. Try the Hexbug on different parts of the cup, does it make a difference?

Which character will you make?
