

SEND A MESSAGE

Experiment with paper aeroplanes to find the best one to deliver a Valentine's message.

SEND A SECRET MESSAGE

Write a secret message using lemon juice. Pop it in the oven for a few minutes to reveal the note.

BLOW UP A HEART

Draw a heart on a balloon. Place 2 teaspoons of baking soda in a small jar. Fill the jar to about 1/4 full with vinegar and quickly place the balloon on top.

Watch the balloon inflate!

WHERE'S YOUR HEART?

Draw around a friend on a giant piece of paper and draw a heart in the correct place.

How many other organs can you add?
