

## ICE CUBE SHELTER

Use materials like bubble wrap, different coloured paper and other recycleable items to make a shelter to slow down an ice cube melting.

## PAPER SNOWFLAKE

Can you make a symmetrical snowflake from paper?

## MELTING MARSHMALLOWS

Time how long it takes for marshmallows to melt in different temperature hot chocolate drinks.

Does stirring speed up the melting process?

## ICY RESCUE

Freeze a small plastic figure or nature items in a tub of water.

Experiment with warm water and ice to find the fastest way to melt the ice.

Try adding a little salt and watch what happens.
