

REINDEER

RAFT

You'll need:

Lolly sticks

Tape

Corks

Card/foil etc

Oh no! Santa's sleigh has broken down, can you build a raft for the reindeer to help them cross a river.

Instructions

Design and build a raft using materials you think will float!

Once you've built your raft test it in a bowl of water. Can it hold the weight of a small reindeer toy or plastic figure without sinking?

SANTA NOTES

Science Sparks™
Adult supervision required. You are responsible for your own safety.
