

Craft Stick Catapult

You'll need

Wide lolly sticks

Elastic bands

Table tennis ball or pom poms

Double sided tape

Milk bottle top

Instructions

Take 6 lolly sticks and place them on top of each other. Twist an elastic band around each end to hold them in place.

Place another stick above and one below the stack of 6 so they make a cross shape.

Tie an elastic band around the middle of the cross.

Twist another elastic band around the bottom two sticks

Attach a milk bottle top using double sided tape or strong glue.

Challenge

Experiment with pom poms and table tennis balls, which fly the furthest?

Can you knock down a stack of paper cups
